Join the Healthcare Heroes Hackathon on November 14 & 15, 2025, in Brussels.

Two days of creativity, teamwork and innovation around a theme that touches us all: oncology.

WHO CAN JOIN?

All students across Belgium — whatever your field of study!

No experience needed, just curiosity and the drive to think differently about the future of healthcare.

WHY TAKE PART?

- Boost your creativity and teamwork skills
- Meet inspiring coaches and professionals
- Win amazing prizes (including a high-end smartwatch)
- Get the chance to land an internship at AbbVie BeLux
- Finalists will pitch their ideas at the Belgian Parliament!
